

TRAINING AND COMMISSIONING TECHNICIAN

JOB SUMMARY

Attention new grads! Looking to kickstart your career? Join our team at Livestock Water Recycling. We are seeking talented and passionate individuals to be a part of our dynamic team. Take this exciting opportunity to grow professionally, work with innovative technology, and make a real impact.

We are looking for a Training and Commissioning Technician to join our team and provide technical support to our clients located across the USA. The successful candidate will have a technical background and be able to commission, troubleshoot, diagnose, and repair LWR technology. The ideal candidate will also have excellent problem-solving skills, be able to work independently, and be an excellent communicator.

This is considered to be an entry level position. Travel expenses are paid by LWR and benefits are included after 3-month probationary period.

REQUIREMENTS

- Mechanical/electrical field work experience an asset
- New graduate from Engineering Technology diploma (mechanical preferred)
- PLC and HMI experience an asset
- Basic plumbing and electrical experience an asset
- Driver's License with clean record
- Valid passport for travel to USA and trans-continental locations
- Experience in the agriculture industry preferred

RESPONSIBILITIES INCLUDE, BUT NOT LIMITED TO

- Travel to customer sites for commissioning and servicing of LWR systems
- Communicate daily with supervisor on progress
- Provide support to clients with system installation and product knowledge
- Train site operators on proper LWR system operation and maintenance
- Prepare reports, budgets and timesheets
- Available for on-call hours during weekends and evenings periodically
- Participate and contribute to the engineering meetings with ideas and feedback from the field
- Adhere to all prescribed safety procedures, including wearing assigned safety equipment

WORKING CONDITIONS

- Will be in the field for 2 weeks or more at a time
- Must have the physical ability to bend, stoop, lift, kneel, squat
- Must be able to lift up to 50lbs
- Will be required to stand for long periods of time
- Will be working in rural locations on farm operations

TO APPLY

- Email your resume and cover letter to [Human Resources](#).
- The subject line of the email should include the name of the position you are applying for

Initial communication for selected applicants will be done by email, so please ensure you monitor your junk mail. We appreciate your interest in our company, but only those selected will be contacted.

Thank you for considering LWR!
